SKILLS HIGHLIGHTS

PROFESSIONAL SKILLS

- *Quality Assurance*
- *Instrument Handling*
- *Attention to Detail*

INSTRUMENTATION SKILLS

- *Dissolution Test Apparatus*
- *Disintegration Test Apparatus*
- *Roche Friabilator*
- *Monsanto Hardness Tester*

LANGUAGES

- *English*
- *Hindi*
- *Marathi*

STRENGTHS

- *Problem Solving*
- *Flexibility*
- *Punctuality*
- *Adaptability*

OBJECTIVE

An energetic postgraduate student with a problem solving mindset who is seeking an opportunity to express the capacity for instrument handling, quality assurance and pharmaceutical knowledge. I am looking forward to work in a motivating environment to improve and maintain quality and standard of products which can add value to the firm.

Projects

- 1 **Studies on Starch Acetate as an innovative tablet excipient for extended drug release formulation. 2023**
 - Studied Extended-release drug delivery system
 - Evaluated tablets through Monsanto Hardness Tester, Roche Friabilator, Thermionic Tablet Disintegration Test Machine, Dissolution Test Apparatus
2. **Microsponges in Dermatology: A Review**
 - Explored methods of preparation
 - Evaluated the Microsponges
- 3 **Nanoparticles: A Review**
 - Studies Polymers used in Nanoparticles
 - Evaluated the Nanoparticles

EDUCATION

| Program | University | MARKS |
|--------------------------|---------------------|-----------|
| M.Pharm in Pharmaceutics | Gondwana University | 8.20 CGPA |
| B.Pharm | Nagpur University | 7.02 CGPA |

CERTIFICATIONS

- 'Good Manufacturing Practices and Requirement of premises, plant and equipment for pharmaceutical product' by Pharmastate
- 'Testing of Pharmaceutical Packaging Materials' by Pharmastate
- 'Quality Risk Management' by Pharmastate
- 'SOP on Calibration of Weighing Balance' by Pharmastate
